BOP

What did I learn in this BOP?

- *Discipline*
- *Terminologies*
- *Core Concepts*
- *Verbal & Non-verbal Communication*
- *Patience*
- *Case study Analysis*
- *Dashboard Creation*
- *Financial Planning*
- *Market Analysis*
- *Sector Analysis*

A short glimpse of my best learning experience

To me communication was just a vocal activity until I joined PIBM, communication was just a standard normal for me. Dr Swadha Bhartia made me realise there are so many cues to effective communication like verbal and non verbal cues, making eye contact while speak, using open ended questions during conversations and most importantly having a positive attitude with an eagerness to learn.
